Stars Come Out To Support OrangeBone Pet Store

On Wednesday, Last Chance for Animals hosted an unforgettable evening at OrangeBone pet store to celebrate a new beginning of re-homing shelter dogs. No more puppy mill dogs at this hip store on Melrose. Clark DuVal, owner of the OrangeBone, is setting a new standard for pet shops. His new model... to help stop pet overpopulation by getting his dogs from Los Angeles Animal Care Centers!

Katherine Heigl, Charlotte Ross and Corey Feldman were among the crowd to support LCA's mission, "Adopt Don't Shop." www.orangebone.com
